Medicinal Garden-Take A-Ways Carton House

- We did suffer the loss of plants to wildlife.
- Despite visiting weekly the plants may have benefitted from more frequent watering.
- More mature plants may have had a better survival rate.

Medicinal Garden-Carnton House

Thanks!

Linda Horton for fabulous mentoring plus supplying so many plants!

Mary Loftus at Carnton House for all her advice!

Carnton House for letting us use their land to experiment!

Wally Hoffman for the wonderful State of Tennessee signs he created!
